MAS Animal Products is a reliable producer and exporter of natural dog chew products. Our company focuses on delivering high-quality pet treats made from carefully selected raw materials, processed under strict hygiene standards.

Our production facility is equipped with 13 heat-treatment ovens, enabling efficient and consistent processing. We currently have a monthly production capacity of 30 tons of bully sticks and 70 tons of natural by-products and hide chews, allowing us to meet the demands of international markets.

We are committed to providing healthy, safe, and long-lasting natural chews that support the well-being of pets while meeting the expectations of our global partners. Our production process follows strict quality control procedures to ensure premium products for the pet industry.

With a storage capacity of 250 tons, we maintain stable stock levels and ensure reliable supply for our customers worldwide.

With a strong focus on quality, sustainability, and customer satisfaction, MAS Animal Products continues to expand its export network and build long-term partnerships around the world.

Our mission is to supply natural pet treats with trusted quality, competitive pricing, and reliable delivery.

MAS Animal Products – Natural Dog Chews You Can Trust

Why Choose Us

- ✓ High-quality natural raw materials
- ✓ Strict hygiene and quality control
- ✓ Export experience to international markets
- ✓ Bulk supply and private label options
- ✓ Consistent product quality
